ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve the list of unserviceable, uneconomical, unrepairable, or obsolete equipment and furniture as surplus property from various schools and departments, and authorize the sale of these items via e-surplus auction.

KEY POINTS:

- An opportunity has been provided for Principals and Directors to review the complete listing to ascertain if they are interested in any of the items. This surplus property transfer process has concluded.
- All remaining property surplus will be posted for auction on e-surplus. Surplus property not sold will be disposed of.
